EMPLOYMENT OPPORTUNITY

Sand Bypass Operations Manager

LOCATION: Indian River Inlet
Bethany Beach, DE

Closing Date: August 31, 2018
Salary: \$51,242/year

This is not a merit position. This is a contractual position with the opportunity to work long term.

The Kent Conservation District, a governmental subdivision of the State of Delaware, is seeking applicants for the contractual services position of Sand Bypass Operations Manager with the Delaware Department of Natural Resources and Environmental Control, Division of Watershed Stewardship/Shoreline and Waterway Management. The applicant selected for this position will report to Bethany Beach, Delaware.

DUTIES

The Sand Bypass Operations Manager is responsible for planning, supervising, and carrying out operation of the Indian River Inlet sand bypass facility. The sand bypass facility is a unique shoreline management tool that transports sand from the south side of Indian River Inlet to the north side of the Inlet to mimic the natural flow of sand. The bypass manager duties include supervising a small team, operating heavy equipment, tracking system performance, maintaining equipment, and detailed record keeping.

Qualified candidates should have experience operating cranes, dozers, loaders, large pumps, and other heavy equipment. The qualified candidate should be familiar with the principles and practices of shoreline management as well as the associated environmental laws and regulations. Experience with supervisory management, state budgets, and purchasing procedures are preferred.

REQUIREMENTS

- Three years' experience in operating and maintaining equipment such as farming equipment, construction equipment, trucks, boats, or small motor equipment.
- Three years' experience in maintenance trades such as grounds keeping, mechanical, building, or general carpentry.
- Six months' experience in record keeping.
- Six months' experience in staff supervision which includes planning, assigning, reviewing, and evaluating the work of others.
- As a condition of hire you must possess a valid CDL Class A or B driver's license (not suspended, revoked or cancelled or disqualified from driving) OR, the applicant must agree as a requirement of employment to possess one within 90 days of employment.

BENEFITS

The Kent Conservation District offers a comprehensive benefit package including: 37.5 hour work week with flexible scheduling options, 15 paid vacation days the first year, 9 paid holidays a year, and 15 paid sick leave days per year. Pension and health insurance are also included in the benefits package. Direct Deposit of paychecks will be required as a condition of employment for new employees.

TO APPLY, PLEASE EMAIL BOTH YOUR RESUME AND KCD APPLICATION ([PDF](#) or [MSWORD](#)) TO:

(The KCD Application may also be downloaded from the KCD Employment Opportunities website)
