EMPLOYMENT OPPORTUNITY
MARCH 2020
ENGINEERING INSPECTOR

LOCATION: Frederick T. Mott Conservation Center
1679 S. Dupont Highway
Dover, DE

Closing Date: When Filled
Salary: Commensurate to Experience

This is not a merit position. This is a position with the Kent Conservation District.

The Kent Conservation District, a governmental subdivision of the State of Delaware, is seeking applicants for the position of Engineering Inspector and will report to Dover, Delaware.

DESCRIPTION
This position will support the Sediment & Stormwater and Drainage programs of the Kent Conservation District through construction inspection, plan review, and project planning and management.

RESPONSIBILITIES
- Inspect ongoing development and housing projects in accordance with the State of Delaware’s Sediment & Stormwater Regulations.
- Plan drainage improvement projects.
  - Make landowner contacts
  - Develop recommended course of action
  - Assist in design
  - Draft construction plans
  - Attain permits
- Prepare sub-contract documents for drainage improvement projects.
- Manage construction of drainage improvement projects.

QUALIFICATIONS:
- Construction inspection experience is a plus.
- Possession of a degree in an appropriate engineering or environmental discipline, or experience in civil engineering, erosion control, or stormwater management is preferred.
- Excellent communication and writing skills is required.

REQUIREMENTS
- Applicants must be legally authorized to work in the United States. The Kent Conservation District does not provide sponsorship for holders of H-1B Visas.

BENEFITS
The Kent Conservation District offers a comprehensive benefit package including: 40.0 hour work week, paid vacation, sick, and holiday days starting the first year. Pension and health insurance are also included in the benefits package. Direct Deposit of paychecks will be required as a condition of employment for new employees.
TO APPLY, PLEASE MAIL YOUR RESUME AND/OR KCD APPLICATION IN CONFIDENCE TO:
